"On this retreat I learned that wanting to die does not honor my son and that not only am I hurting myself, I am hurting those around me as well as his memory. I want to live. I want to learn to stop the things that I was doing to try to die. My son deserves more than that and he would want that for me too." -Testimonial

Come on a Rachel's Vineyard Retreat and discover what it means to release that burden you have been carrying for years. Rediscover the person you were created to be.
